WORK EXPERIENCE

The Oceanaire
Server

February 2018-present
Minneapolis, MN

Served customers in an upscale, high-end seafood restaurant in downtown Minneapolis.

- Interacted with an average of 100 guests per evening, coordinating with bar staff, management, and the back of house to create an exceptional dining experience for every guest.
- Rated by guests with a 100% customer satisfaction across a nationwide company with 12 locations, giving me a ranking in the top ten company-wide.
- Utilized my extensive menu knowledge and selling skills to maintain a high guest check average that was recognized by management.

MHCP, LLC

Owner/Operator

December 2016-February 2018

Colorado Springs, CO

Multifaceted position tasked with all operations included in a small business.

- Created a new product in the Colorado market, resulting in 100+ new accounts in 4 target territories in Colorado.
- Coordinated over 100 client accounts, acting as the key resource for clients and the relationship builder for the business.
- In charge of educating both clients and patients on the products offered and their benefits; coordinating both sales and a kitchen force; increasing client base and ensuring patient satisfaction.

EDUCATION:

Certificate, Full-Stack Engineering - University of Minnesota

Minneapolis, MN

Bachelor of Arts, Business - University of St. Thomas

St. Paul, MN
